This is a municipal matter & should go through the rest Councillor - as regards the appointment of a Gumastah to take charge of the records. I Consider the arrangement inadequate and will only benefit some hungry "limewash" wanting for an appointment in the taluk Cutcherry. I have my own opinion about the arrangements necessary for the proper working of the "Extension", but I am not called upon to give an opinion on this question. Most respected Sir.

With due respect & submission I beg to bring the following for your honours kind consideration and favorable order: —

I was the permanent 1st class Sheristadar of Chennapatna Taluq. In the year 1898 my services were drafted to Bangalore for Special duty of acquiring lands, houses &c & was working in connection with the Bangalore city improvement works as Deputy Amildar till the Government abolished the appointment in 1902. In the meantime I submitted a memorial to Government on 26.7.02 through your honour praying that my pitiable case might be given a favorable consideration & that I might be provided with the post of a Dy Amildar in the arrangement that had to take place in retiring some of the Amildars. After handing over charge of my office to the Amildar of Bangalore, I was deputed to the Comptroller's office to prepare a joint report of the expenses incurred

incurred on the above works. I completed this work & was relieved there on the 27th September 1902. I thereupon reported to your honour for duty & I am waiting for orders. I now take the liberty of approaching your honour with the humble request that I may be recommended for a Deputy Amildary or any other suitable appointment, in consideration of my long service as a Taluq Sheristadar for 18 years & as Dy Amildar for about 4 years and also in consideration of my having acted as Amildar on many occasions.

I further beg to add that I have not been able to draw my pay for the last three months and that in consequence I have been feeling great difficulty in maintaining my large family. Therefor I pray that definite orders may be passed as regards the drawing of my pay at your honours earliest convenience.

Awaiting your honours favourable orders.

I respectfully beg to remain
Sir
Your Honours most obedient
and humble Servant

1) Correspondence ending with letter No. 345 dt. 10-02 from the Dy. Comm. Bangalore dt. requesting sanction to the retention of C. Kadavilayil, Dy. Supdt. up. to the end of September 1902 & soliciting orders as to the further disposal of this case.

2) Letter No. 3520 dt. 7th October 1902 from the same officer requesting the grant of an addl. sum of Rs. 5000 to pay off the present claims of persons whose lands have been acquired for the Bangalore Sewerage Scheme & the city improvement.

Order thereon.

In Proc No. 60-1 / R218-98 dt. 10-9-02 the temporary establishment attached to the Sewerage Con. section & the Dy. Asstt. Engr. now at Cooly, & clerk at the 30/

in the Comptroller's office there
accordingly and requests that
his retention as a special

As Kesavasaya has
been kept on till the
end of September he
must be paid, & also the proposal is
accordingly sanctioned. Entirely in accordance with the observation that the Dy. Comr. was wrong in not dispensing with the services of Kesavayya as ordered by Govt.

adds that before Kadaresaya

of Chicacole taluq, which place was permanently given to G. Narayanaswami Naidu and of the Bangalore Dt. Treasury office as approved by Govt. orders No. 3997-9 of 12.3.02.

3 Further question was based on the Dy Comrs recommendation contained in his letter No 974 of 25th Feb'y 1902 wherein it was stated that two first class Assistants & two second class Assistants were permanently vacant, no mention whatever of Kesavierengar having been made. The Dy Comr is requested to state how Kesaviengar is a permanent-place was recommended to be given away to another before the former was confirmed as Dy Asst Comr.

he may be kept on as a

The Dy Comr should provide Kempaiah with any place that may be vacant ~~temp~~ manently or temporarily in his District on his permanent salary of 60 Rs. If no such place is immediately available, Kempaiah may be treated as a supernumerary Offr on 60 Rs.

6/11 Before a further grant can be made, a detailed report of the new acres made showing the extent and description of the lands & as well as the Compensation totals for each acre thereof together with the purpose for which such lands were acquired should be submitted by the Dy Comr. It is hardly to be expected that Govt would sanction an expenditure of Rs 5000 for the without being supplied with detailed information.

To,

Sir,

With reference to your letter No 712 dated 17th November 1902, forwarding copy of Government Proceedings No. 734-5 R F. 18-98 of the 7th instant, regarding the permanent appointment of C. Kesavaiengar temporary Deputy Amildar, I have the honor to state that my proposal was that the man recommended for the place of the Sheristedar of Doddaballapur should be a sub pro tem Sheristedar and not a permanent one, although the Sheristedar of that Taluk had retired on pension and it was a permanent vacancy, and this was because I intended that Kesaviengar should have a lien on that appointment. The promotion of the Kankanhalli Sheristedar to the 1st class was also for the same reason recommended to be a sub pro tem one. The fact of Kesaviengar's having

2

having a lien on a 1st class Sheristedari and on that post in the Doddaballapur Taluk ought to have been mentioned in the report but was probably not done through an oversight. It will however, now be clear that a permanent place was reserved for Kesaviengar in case his place as Deputy Amildar of the Bangalore City happened to be abolished.

2. The enclosures to your letter are returned.

I have the honor to be
